

Covid Catchup: 18 months of ops changes in one game

Hi members,

I don't know if you're one of the many returning to international ops this summer, but quite a few of the group are.

The last 18 months have seen quite a lot of changes for international ops. If you're just jumping back into the cockpit after a prolonged absence, it would be good to know about them - right?

We thought the best way to communicate that summary was in a game!

So we made Covid Catchup. It's easy to play: follow the boxes, read a little, and then answer some quiz questions to see how you rate.

It's in PDF form so you can download it, print it out, or play it on your iPad (and feel free to share with you friends that might not be group members).

How to get the game?

We're dropping it into OPSGROUP Slack this evening. Just go to the **#crewroom** channel and you'll see it there.

If you'd prefer to get the game by email instead, we can do that – just send a note to ops.team@ops.group.

Enjoy the game and let us know how you do! We're pretty confident that if you do well on it, you'll be up to speed on all the big changes since January 2020.

Cheers,
The O.G. Team.
