

FIRE on the NAT! Where to go in an emergency?

In OPSGROUP, we talk a lot about the North Atlantic. Whether it's a Plotting Chart you need, or an explanation of the Datalink Mandate, or a summary of big changes stretching back to the dawn of time – we've got you covered. We love the NAT so much we even enjoy asking ourselves annoying questions about it over and over again to see if we can answer them (we can).

But here's something we haven't fully looked into before – **if you're in big trouble on the NAT (like an engine on fire, for example), where can you go?**

Turns out there's quite a bit of complexity to this. **Some airports don't have amazing levels of fire cover, some are closed at night, and some have weird setups where you have to pay them in advance to make sure they stay open in case you need them.**

We'll start with these **odd ones**. And we're going to do everything in **local time** to keep things easy. Also, for the uninitiated, **RFFS** means Rescue and Fire Fighting Services (i.e. what level of fire cover an airport has), and if you're confused about what number means what, you can read all about it here.

Odd Ones

CYFB/Iqaluit

- **Airport open:** Mon-Fri 08-17, other times 12hrs notice required
- **RFFS:** 5
- **Why odd?** So it's basically closed at night unless you make a special request for them to stay open in case you need them. If extended hours are needed, additional costs will apply to keep staff on standby. Requests to extend operating hours at the airport must be submitted using a specific document for either RFF5 or RFF7. CYFB provides extra RFF coverage at night on average 40 to 50 times a month. The cost for them to stay open with RFF5 is \$1714 which gives you a 4 hour block of time. For RFF7 it's \$3427.

BGGH/Nuuk

- **Airport open:** 06-21 every day

- **RFFS:** 5 (or RFFS 8 with 4 hours notice)
- **Why odd?** Technically it's open at night, but as it's a brand new airport, night opening is unrealistic at the moment - especially in winter. In the summer months, when there's no snow and it's daylight almost all day every day, there won't be the same need for runway sweeping and using the airport as a diversion alternate might be more possible because they will only require standby personnel on short notice.

BGBW/Narsarsuaq

- **Airport open:** Mon-Sat 08-17 (yep, closed on Sundays!)
- **RFFS:** 7
- **Why odd?** Can be requested to stay open at night most of the time. But watch out! As we reported before, Greenland airports will charge you the better part of \$3k if you list either of them on your flight plan as diversion alternates when they're closed.

BGSF/Sondrestrom

- **Airport open:** Mon-Fri 08-16 (yep, recent change here is that they're closed on weekends!)
- **RFFS:** 5 (or RFFS 8 with 4 hours notice)
- **Why odd?** Same as BGBW, can be requested to stay open at nights or on weekends, but same costs will apply.

EGPK/Prestwick

- **Airport open:** H24
- **RFFS:** 7
- **Why odd?** Often at night they close the terminals building (they always Notam it) so there are no facilities for diversions at these times.

LPPD/Ponta Delgada

- **Airport open:** 0615-0000
- **RFFS:** 7 (can be increased to RFFS 9 with 24hrs notice at a cost of 70 Euros per hour, although they say this can usually be increased for emergencies too).
- **Why odd?** At night (0000-0615), the airport has told us that they are closed and will only guarantee reopening for urgent medical evacuation flights, or humanitarian flights at the request of the Portuguese Air Force. LPLA/Lajes is the only airport in the Azores that is open all night for diversions.

LPAZ/Santa Maria

- **Airport open:** It's complicated.

- **RFFS:** It's complicated.
- **Why odd?** Ok, here we go. So from **0635-2130** they are fully open with RFFS 6 (RFFS 8 available for a surcharge if you arrange in advance). Then from **2130-0000** the airport is closed but you can request they stay open for around 900 Euros (plus a fee to the handling agent). Then from **0000-0645** the airport is completely closed and cannot accept emergency divers at all. Bottom line, just go to LPLA/Lajes instead.

TXKF/Bermuda

- **Airport open:** 07-23 every day
- **RFFS:** 9
- **Why odd?** To get them to open at night (ATC and RFFS) for emergencies, you need to give them 30 mins notice - so not ideal if your needs are super urgent. Also, they do sometimes publish Notams saying that ATC will not be available for certain periods at night, even for emergencies.

Not Odd Ones

CYDF/Deer Lake

Open H24
RFF 6 (RFF 7 with 30 mins notice)

CYJT/Stephenville

Open H24
RFF 5 (RFF 6 with 30 mins notice)

CYYT/St Johns

Open H24
RFF 7

CYHZ/Halifax

Open H24
RFF 7

BIKF/Keflavik

So let's give that map another try, this time with a tasteful splash of orange colour...
