15 December, 2021

A general strike is planned in Italy all day on Dec 16, which **could include ATC personnel**.

The impact of the strike is hard to assess until the day itself, but if it does go ahead, the usual rules would apply:

- No impact to overflights, inbound intercontinental flights (i.e. those from outside Europe), and other essential traffic
- Expect delays for all other flights to/from Italian airports.

The four ACC's controlling Italy's airspace.

LIBB/LIMM/LIRR Notam A9236/21 has the current information, and keep an eye on the Eurocontrol NOP for further announcements on what services will be impacted.
