

Italy ATC strike on Oct 25

Notams have now been published advising of the planned **nationwide ATC strike on Friday Oct 25**.

The strike will happen between **13-17 local time** (11-15z), although it looks like the LIBB/Brindisi sector in the south-east of the country will run from 12-16 local time.

When these 4-hour strikes go ahead, overflights and “incoming intercontinental flights” (i.e. those from outside Europe) are normally **not significantly affected**, but there are often **big delays for flights**

to/from Italian airports.

LIRZ/Perugia airport has also announced a local ATC strike between 1300-1700 local time the same day. There may be more local airport-level ATC strikes announced in the coming days, so watch out for those too, as these are the airports which are **always worst affected** by delays.

You can see the full Notam for the nationwide strike here. For updates, keep an eye on the Eurocontrol NOP page on the day of the strike. Eurocontrol will be hosting a teleconference with more info on what to expect, on Thursday 24th Oct at 1200z; you can dial in on +44 2071 928000, and punch in the conference ID number 1581056.
