LLZZ/Israel has signed an agreement with Eurocontrol and will allow the country and it's users to benefit from the services that Eurocontrol provides. This is excellent news for filing out of LLBG and transiting to or

over Europe as this will help streamline the process significantly and coordination will only have to be with Eurocontrol for any changes.

RCTP/Taipei has resumed operations on June 3 after operations were suspended due to flash flooding. The airport has also lost power numerous times due to the unstable power supply following days of severe flooding. While the power cuts rendered the terminal's air conditioning system inoperable, the airport experienced only minor delays.

VNKT/Kathmandu has been experiencing problems with the VHF ATC equipment. Aircraft on approach and Area Control freqs may experience increased squelch and at times leaving ATC without comms.

HSZZ/Sudan has warned it will shoot down any aircraft that infiltrates its airspace that has not obtained the proper permission and/or following proper procedures. If you need to transit this airspace please make sure you have all the required documentation.

FHSH/St Helena has reportedly delayed the airport opening indefinitely, due to safety concerns - severe turbulence and windshear were commonplace during testing trials by a B737-800.

China Beijing - The Mainland Affairs Council (MAC), which supervises relations across the Taiwan Strait, on Friday issued a yellow travel alert for Beijing after the first H7N9 flu infection case for this year was confirmed in the Chinese capital.

Malaysia Malaysian officials fired several officials on charges connected to a security breach at Kuala Lumpur International Airport (WMKK/KUL). Security officials stated that airport security officials collaborated with human trafficking syndicates to bypass the airport's passport verification system. The investigation discovered that, since 2010, airport officials purposely disrupted the immigration system at certain times of the day on several occasions. Malaysian officials will publish a report with the full findings.

Angola The World Health Organization (WHO) reported on 27 May 2016 that 301 people have died in Angola's yellow fever outbreak, which began in December 2015. The number of suspected cases is now 2,536. The outbreak began in Luanda and has since spread to areas throughout the country, particularly along the coast and in the central regions, despite a large-scale vaccination program. Cases linked to the Angolan outbreak have also been reported in the Democratic Republic of Congo (DRC), Kenya and China.
