

OPS CHAT - every Tuesday!

OPSGROUP Team
13 June, 2022

Join the weekly international ops call!

OPS CHAT is a conversation about this week's changes and dangers affecting International Flight Ops, open to everyone!

It's on **every Tuesday at 1300 UTC.**

It's for Pilots, Dispatchers, ATC, and anyone else involved in international ops - and here are the key things we look at every week:

- **New risks and changes** this week affecting airspace, ATC, airports, and international ops
- The top 5 **Ops Alerts** published for OpsGroup members this week
- Conversation and chat
- **Unsolved mysteries** - unanswered questions from the Ops Group/Flight Ops slack channels.
- New member intros and group updates
- A **general Q&A** - bring a good Q and we'll match it with an A.

When is it on? Tuesday at 1300 GMT/UTC/Z. That means: 6am LA (sorry!), 9am New York, 2pm London, 3pm Amsterdam. Bring a timezone appropriate drink (If you're in a Brooklyn a coffee, if you're in Berlin a coffee martini?) and join us for a group chat about all things ops.

OPS CHAT - register

If you're stuck on something in particular (a pesky overflight permit for Peru, perhaps ...) - ask your question and we'll find someone that knows. For the weeks highlights, we'll pop up a few maps and things to help show what's happening, but mostly this is really just a chat and pretty casual. As you might have gathered.

How long is it on for? Ah, 30 minutes maybe? Or longer if things get interesting.

How do I join? You will need:

- 1x computer device (example here)
- Electrical power
- A face (because we like seeing you)
- A watch (set an alarm for Tuesday 12.59Z)
- Aaaaand a Zoom registration: [here](#).

So in short - register and then show up. Turn on your video, and take part. Easy!

Any other questions? Email the team!
