1 February, 2023

AirOps is an event for business aviation flight ops people, put on by the European Business Aviation Association, where ground handlers, airports and FBOs meet with trip-planners and operators. And this year, we're going to be there too!

When and where?

The Event Lounge in **Brussels, Belgium**. It's a three-day event, from **Feb 13-15**, featuring an exhibition, along with training and flight ops info sessions.

For more info on **what to expect** and **who's going to be there**, check the AirOps23 page here. (And to see some snaps of the last event in 2020, click here).

Come see us!

We'll be running our world famous **Ops Quiz** at the end of Day 2. Test your ops knowledge with questions like these ↓, pit your wits against other teams, and ease into the evening with a fun, interactive session. (And yes, there will be prizes for the winning teams!)

OPSQUIZ!

How up-to-date is your Ops knowledge?!

What tripled in the Netherlands?
The birth rate or Air Passenger Tax?

Is EES only for creatures from Mars
or also for EU nationals?

What is the most common ramp check
finding in Business Aviation in
France? Lack of wine on board or
Flight Preparation?

If you're able to make it, we'd love to see you! Come meet OPSGROUP's Rebecca and Dave in person, share your knowledge, swap stories, and discover some recent ops updates you might have missed.

OPSGROUP members can take advantage of discounted rates – just enter the code **AIROPS2023_OPS_GROUP** in the 'coupon' section when registering. See you there!
