

Updated FAA Oceanic Guides

David Mumford

28 July, 2025

The FAA has updated its resource guides for the three big oceanic areas of interest: the North Atlantic, the Pacific, and WAT airspace (West Atlantic / Gulf Of Mexico / Caribbean). All three have been updated effective July 2025.

These guides are a good starting point for understanding all the essentials of operating in these regions, and include links to all kinds of useful supplemental information around the main topics for each one.
