Dispatchers

Take the morning off but still get your coffee fix.

What will happen here?

We will drink coffee and talk about flight ops.

So, much like every day, but with different people, and most likely better coffee than the machine at work (and definitely better than airplane coffee).

Dave and Mark from OPSGROUP, will host a quick Q&A about **International Flight Ops**, and our work as a group. We'll talk NAT Tracks, Ramp Checks, Flight planning, Airspace Risk, Notams, the latest challenges - and what we can do to make things better.

And you get to **meet and connect** with other people working in Flight Ops in New York, New Jersey, and beyond. We'll have A380 Captains and Gulfstream FO's, Corporate dispatchers, New York ATC, and a bunch of other good people.

OPSGROUP is a collective of 5000 pilots, dispatchers, controllers, and ops specialists that work together to share information and resources, making flight ops simpler and safer. We're hosting this because we love connecting people. It's totally free.

Spots are limited, so RSVP early and don't miss out. Address in RSVP confirmation - Ludlow Street, Lower East Side, Manhattan, NYC.
