- Age 0-11: Must travel with parents or legal guardian. They are exempt from this requirement.

QUARANTINE

Quarantine on Day 01 & Day 05
(Can be done at different hotels, see below)

No Quarantine *(must stay in the hotel until the arrival test result is available).*
Travels are restricted to the Sandbox area only, for 7 days

10-day Quarantine

**COVID-19 Travel Restrictions
TH - Thailand**

ACCOMMODATION REQUIREMENTS²

2 separate nights booking in a SHA Extra Plus (SHA++), AQ, OQ, or AHQ on Day 1 and Day 5.

Travellers can book 2 different hotels on Day 1 and Day 5. However, on both Day 1 and Day 5, they must stay inside the room waiting for the RT-PCR test result is out.

7 nights booking in a SHA+ Hotel of the Sandbox area.

- Travellers to Krabi, Phang-Nga, or Phuket can change accommodation twice within the first 7 days (can book 2 different hotels) within the province.
- Travellers to Ko Samui, Ko Pha-ngan, and Ko Tao can change accommodation 3 times within the first 7 days (can book 3 different hotels). However, they must stay the first night on Ko Samui and must receive a negative result for their first RT-PCR test, before being able to change accommodation to other hotels on either Ko Samui, Ko Pha-ngan, or Ko Tao. Or they can choose to book 3 different hotels on Ko Samui alone.

10 nights booking in an Alternative Quarantine (AQ) accommodation or similar government-approved facility.

**PREARRANGED TRANSFER FROM THE AIRPORT TO THE HOTEL
MEDICAL INSURANCE**

The hotel booking for the first night shall include a prearranged transfer from the airport to the hotel.

Travellers must possess an insurance policy with a minimum coverage of USD 50,000.

The certificate of insurance shall state the insurance coverage including the coverage of treatment for COVID-19 disease. Further information can be found at <http://covid19.tgia.org>.

Thais and foreign expatriates under Thailand's national healthcare coverage are exempt from this requirement.

PRE-ARRIVAL NEGATIVE COVID-19 TEST

- Age 6+: A Medical Certificate with a RT-PCR lab result indicating that COVID-19 is not detected, issued within 72 hours before departure.
- Below Age 6: Not required.

- Age 6+: A Medical Certificate with a RT-PCR lab result indicating that COVID-19 is not detected, issued within 72 hours before departure.
- Below Age 6: Not required.

- Age 6+: A Medical Certificate with a RT-PCR lab result indicating that COVID-19 is not detected, issued within 72 hours before departure. Thai nationals are exempt from this requirement.
- Below Age 6: Not required.

<p>POST-ARRIVAL COVID-19 TEST</p>	<ul style="list-style-type: none"> Below Age 6: a saliva test will be performed on Day 1. Age 6+: Two RT-PCR tests performed on Day 1 and 5. <p>The second RT-PCR test will not be required if the traveller's length of stay is less than 5 nights, or his/her scheduled international departure date out of Thailand is on Day 5 or before.</p> <p>The two RT-PCR tests shall be prepaid via the quarantine hotel.</p> <p>Krabi, Phang-Nga and Phuket: Travellers can reserve and prepay for the 2 RT-PCR tests via www.thailandpsas.com (2,100 Baht/test, or 4,200 Baht/2 tests).</p>	<ul style="list-style-type: none"> Below Age 6: a saliva test will be performed on Day 1. <p>DOMESTIC TRAVELS <i>After mandatory quarantine</i></p>	<p>Travellers must show a proof of negative RT-PCR test result.</p>	<p>After having stayed the first 7 days in the above-mentioned eligible Sandbox destinations, travellers must obtain a 'Release Form' from their accommodation</p>	<p>Travellers must show a proof of negative RT-PCR test result.</p>

and from Day 8 they are free to go anywhere in Thailand.

They must show a proof of negative RT-PCR test result.

¹ VACCINATION REQUIREMENTS

Travelers must present a vaccination certificate that meets all following conditions:

a) A vaccine validated by the Thai Ministry of Health, with the numbers of doses and minimum time between injections as follows:

- Sinovac (2 doses, 2 weeks)
- AstraZeneca (2 doses, 4 weeks)
- Johnson & Johnson (1 dose)
- Pfizer (2 doses, 3 weeks)
- Moderna (2 doses, 4 weeks)
- Sinopharm (2 doses, 3 weeks)
- Sputnik V (2 doses, 3 weeks)

Note: the combination of vaccines is allowed.

b) The last injection must be dated at least 14 days before you travel, starting the day after the second injection (as Day 1) until the day you depart from the first airport.

Travelers who are vaccinated with a single dose and have recovered from Covid-19 must present a medical certificate attesting the recovery from Covid-19 as well as the certificate of one dose of vaccine injected after the positive Covid-19 test result.

³SANDBOX PROGRAMME

Eligible Sandbox destinations within Thailand:

- Existing: Krabi, Phang-Nga, Phuket, and Surat Thani (Ko Samui, Ko Pha-ngan, and Ko Tao).
- From 1 February 2022: Chon Buri (Bang Lamung, Pattaya, Si Racha, Si Chang, and Sattahip – only Na Jomtien and Bang Saray) and Trat (Ko Chang).

ENTRY REQUIREMENTS BY AIR TRAVEL - AIR CREW MEMBERS

Documents and Information required:

1. COVID-19 test with Negative result issued no longer than 72 hours prior to the date of travel.
2. Hotel (SHA+/AQ) booking confirmation (directly book from the hotel and not via booking application)
3. Gendec (All crew need to be listed on GD and they can enter Thailand without a visa)
4. Crew ID
5. Crew passport
6. Certification of Vaccination, in English (or with English translation) issued by a government authority, no less than 14 days before departure.
7. Insurance covering COVID-19 or letter by operator guaranteeing medical expenses

Crew entering by the above procedure will not be tested on arrival and will have to self-isolate in the hotel room until departure.

If the crew requires PCR tests for the next station, they can also apply for a ThailandPass via the Test & Go or Sandbox programs which include a PCR test on arrival.
