Permission to Land Procedures

Eagle County Regional Airport (KEGE) is designated as a "user fee airport" [19 CFR 122.1(m);19 CFR 122.15].

Pilots must secure permission to land by contacting CBP prior to departure from foreign airport. Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside those parameters, you must contact CBP to resecure permission to land.

Inspection Process

- Aircraft should park on the ramp at the Vail Valley Jet Center FBO.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed planeside.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- For other than U.S. Citizens, most Canadians, Legal Permanent Residents (LPR) and Visa Waiver (ESTA) travelers, the CBP Form I-94 Arrival/Departure Record is required and must be completed prior to arrival.

Special Procedures/Miscellaneous

- The port is closed on Tuesday and Wednesday.
- After hours service may be available with advance notification to include Tuesday and Wednesday.
- This airport is a "User Fee" airport and fees are charged by the FBO for CBP services.
- Diversions: Due to weather or airport closures, proceed to Denver International (KDEN/DEN) as an alternate unless arrangements with another CBP staffed airport have been made.
- Commercial cargo cannot be processed at this airport.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information document or contact GASupport@cbp.dhs.gov
