Permission to Land Procedures

Hector Field is designated as a "landing rights airport"
[19 CFR 122.1(f);19 CFR 122.14].

Pilots must secure permission to land by contacting CBP directly prior to departure from foreign and at least two hours in advance of the anticipated arrival time at Hector Field. Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside those parameters, you must speak with a CBP Officer to resecure permission to land.

Inspection Process

- The CBP office is north of Charlie-2 ramp, east of the Fargo Jet Center FBO.
- Ground control can direct you if needed.
- Prior to arrival, inform CBP of any passengers that may have mobility issues. Clearance onboard the aircraft can be arranged.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed inside the GAF unless passenger(s) have mobility issues.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Regulated waste/garbage will be collected by ground crew from the aircraft crew.
- Passengers can depart directly from GAF at the conclusion of their inspection.

Special Procedures/Miscellaneous

- Staff is available to clear flights 24/7/365 but is not staffed 24 hours.
- Pilots must secure permission to land by contacting (speaking to) a KFAR CBP officer.
- The Fargo Jet Center (701-235-3600) will fuel aircraft at the CBP office.
- Advise CBP if transporting live animals, weapons, hunting trophies, or commercial imports.
- Contact CBP if requesting to leave the APU running prior to landing.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information document or contact GASupport@cbp.dhs.gov
