Permission to Land Procedures

KFPR is designated as a "landing rights
airport" [19 CFR 122.1(f);19 CFR 122.14].

Pilots must secure permission to land by contacting CBP a minimum
of one hour prior to arrival but not more than 24 hours prior to
arrival. Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside those parameters, you must
contact CBP to resecure permission to land.

Inspection Process

- Aircraft should park on the ramp at the FIS.
- The aircraft control tower can direct you in if needed.
- The FIS is not attached to the FBO or main terminal.
- All crew and passengers and accompanying baggage must processed into the FIS for processing.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Regulated waste/garbage will be collected by CBP from the aircraft crew.
- Passengers can depart directly from FIS at the conclusion of their inspection.
