### Permission to Land Procedures

William P. Hobby International Airport (KHOU) is  
designated as an "international airport" or "airport  
of entry" [19 CFR 122.1(m);19 CFR 122.15].

Pilots must secure permission to land by contacting CBP prior to  
departure from the foreign airport and at least 2 hours in advance  
of the anticipated arrival time at William P. Hobby International  
Airport. Permission to land is granted with a tolerance of (+/-) 60  
minutes. If your ETA deviates outside these parameters,  
previously granted permission(s) are invalid and you must contact  
the CBP port to re-secure permission to land.

### Inspection Process

- Aircraft should park on the ramp at the CBP Ramp (FBO).
- The aircraft control tower can direct you in if needed.
- The CBP Ramp (FBO) is not attached to the FIS or main terminal.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed either planeside or inside the CBP facility (FBO).
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Regulated waste/garbage will be collected by CBP from the aircraft crew.
- The aircraft can continue to the selected FBO Hangar at the conclusion of their inspection.

### Special Procedures/Miscellaneous

- Pilots must contact the Houston General Aviation Office for permission to land.
- Permits to proceed can be submitted prior to arrival or at time of arrival.
