Permission to Land Procedures

KIAD is designated as a "landing rights airport" [19 CFR 122.1(f);19 CFR 122.14].

Pilots must secure permission to land by contacting CBP prior to departure from the foreign airport and at least two hours in advance of the anticipated arrival time at Washington Dulles International Airport and speak directly to a duty officer. Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside those parameters, you must contact CBP to resecure permission to land.

Inspection Process

- Aircraft should park at the ramp at the FBO as directed by the control tower.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed at the FBO CBP Office or as designated by the CBP Officer.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Regulated waste/garbage will be collected by the FBO per the contract agreement.
- Passengers can depart directly from the FBO at the conclusion of their inspection.

Special Procedures/Miscellaneous

- Fixed Base Operators at Washington Dulles Airport operate 24 hours per day.
- FBOs at Leesburg and Manassas, Virginia operate between the hours of 0800 - 2000 hours.
- Landing rights requests for these airports must be made during regular business hours, with at least two hours of advance notice, except in an emergency.
