Permission to Land Procedures

Orlando International Airport (KMCO) is designated
as a "landing rights airport" [19 CFR 122.1(f);19 CFR 122.14].

Pilots must secure permission to land by contacting CBP at least
1-hour prior to departure from the foreign airport.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside those parameters, you
must contact CBP to resecure permission to land.

Inspection Process

- Aircraft should park in front of the CBP General Aviation Facility (GAF).
- A CBP Officer will meet the aircraft to begin the inspection.
- All crew and passengers will be processed inside the GAF.
- Be prepared to present passports, visas, pilots license, medical certificate, aircraft registration and user fee decal.
- KMCO has a USDA Compliance agreement in place with FBO's Signature and Atlantic, for aircraft proceeding to Cessna CBP will collect all regulated garbage/waste.

Special Procedures/Miscellaneous

- The MCO Entrance and Clearance Office is available to receive landing rights and outbound clearance requests seven days per week (1000-2400 hrs.)
- Contact our office for all medical EVAC and emergency diversion flights for arrivals outside normal hours of service.
- Advise CBP if transporting live animals, weapons, hunting trophies, or commercial imports.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information document or contact GASupport@cbp.dhs.gov
