Permission to Land Procedures

Miami General Aviation Center (KMIA) is designated
as an "international airport" or "airport of entry"
[19 CFR 122.1(m);19 CFR 122.15].

Pilots must secure permission to land by contacting CBP no less
than one hour but no more than 24 hours in advance of the
anticipated arrival time at KMIA. Permission to land is granted with
a tolerance of (+/-) 30 minutes. If your ETA deviates outside those
parameters, you must contact CBP to resecure permission to land.

Inspection Process

- All aircraft must land (block) at the CBP ramp unless authorized to block at another location by the airport control tower.
- The aircraft operator must open all crew, passenger, and cargo compartments in the aircraft for inspection by CBP.
- Inspection of the aircraft on the ramp and supervision of the unloading of baggage, disposal of regulated waste/garbage, etc., will be conducted by a CBP Officer.
- All crew and passengers with all personal belongings and baggage will be directed to and processed inside the FIS.
- The FIS is not attached to the FBO or main terminal.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Passengers can depart directly from FIS at the conclusion of their inspection.

Special Procedures/Miscellaneous

- Updates to any Estimated Time of Arrival or Departure (ETA/ETD), changes in arrival location, or flight cancellation must be made immediately and telephonically to Miami General Aviation Center at (305) 526-7155
