Permission to Land Procedures

Fernando Luis Ribas Dominicci Airport - Isla Grande
is designated as a "landing rights airport"
[19 CFR 122.1(f);19 CFR 122.14].

Pilots must secure permission to land by contacting CBP directly,
during regular office hours, prior to departure from foreign and at
least one business day in advance of the anticipated arrival time at
Fernando Luis Ribas Dominicci Airport. Permission to land is granted
with a tolerance of (+/-) 30 minutes. If your ETA deviates outside
those parameters, you must contact CBP to resecure permission to
land.

Inspection Process

- Aircraft should park inside the yellow circle in front of the CBP Office.
- Helicopters must land at the Helipad marked area.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed inside the FIS area with maximum capacity of eighteen (18) people.
- Be prepared to present for inspection passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate), including luggage and personal items.
- There is USDA compliance agreement in place at this airport for the collection of regulated waste/garbage.

Special Procedures/Miscellaneous

- To allow time for processing at TJIG, aircraft operators should schedule to arrive on or before 1930 hours.
- Aircraft arriving after 1930 hours should plan to arrive at the Luis Munoz Marin International Airport (TJSJ) which provides services 24/7.
- Advise CBP if transporting live animals, weapons, hunting trophies, or commercial imports.
- Passengers are not allowed to board the aircraft at the CBP Inspection area marked by a circle.
- Entrance of cargo is not allowed at TJIG.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information document or contact GASupport@cbp.dhs.gov
