MEDICAL EVACUATION

Many people have suddenly found themselves in a position where an employee, relative or friend is seriously ill or injured in an area where adequate medical treatment is not available.

In many cases, there are neither able to cope nor able to obtain the necessary medical assistance. Flying Doctors Asia specialises in transferring patients to a hospital quickly.

- ✓ Complete bed-to-bed service
- ✓ Full ICU and emergency-trained medical teams
- ✓ Latest medical equipment for every contingency
- ✓ One-stop call for air ambulance service
- ✓ Competitive all-in fixed price
- ✓ Airborne within 3 hours (subject to permit)
